Parameter	Value / result	Unit / status
GMO	Not genetically modified; GMO labelling not required	EC 1829/2003 & 1830/2003
Allergen note	Field-level traces of mustard and sesame cannot be ruled out	
Irradiation	Not irradiated	

Important: This customer-facing summary was prepared by LIVEL / MB Naulema from supplier documentation. Values shown may be nutritional declarations, specification limits or supplier statements rather than batch-specific laboratory results. The term Organic reflects the designation/certification information stated in the source document. Individual batch values can vary. This summary is not an original laboratory certificate and does not replace batch-specific quality documentation.
